## ***Your Presence Will Be Appreciated***

It is with much pleasure and a feeling of satisfaction that we can again invite everyone interested in good livestock to attend the Iowa Royal Shorthorn Centennial Show and Sale, to be held at the Iowa State Fair Grounds, Des Moines, on March 29 and 30. There will be every convenience for the comfort of buyers and visitors alike, be it rain or shine.

There are two safe investments to be made — buying Victory Bonds and Shorthorn cattle. More value can be received from the purchase of good breeding Shorthorn cows and heifers than from any other breed. Their prices have not skyrocketed out of proportion to their true values, like some of the other breeds. By any standard of comparison, it has been proved that a Shorthorn cow will consume more roughage that ordinarily goes to waste. Why be undecided as to which breed to raise? Buy now before prices go higher.

We have assembled a very uniform offering of quality cattle, both bulls and females, for this show. The animals are suitable for breeders, ranchers and farmers who wish to add more quality to their herds. They have been raised under ordinary farm conditions, and with reasonable care and attention can go anywhere and show improvement. We would be happy to have attend this sale all those who are considering the purchase of beef cattle. We are sure they would find their time well spent, and they may gain valuable information as to why Shorthorns are so popular throughout the Corn Belt.

We have arranged some judging contests to be held Friday afternoon, March 29, at the same time the sale cattle will be judged. This always creates a lot of interest and fun. Friday evening we will have the banquet at the Kirkwood Hotel, where the prizes for the judging contests will be awarded. We sincerely hope that you will arrange to be with us both days. You owe it to yourselves and your families to have a short vacation, and we are sure you will enjoy both days by meeting old friends and making new ones.

Sincerely,

**CHAS. GARDEN,**

Sale Manager.

Kirkwood Hotel will be sale headquarters.

They outsold by \$20 a head feeders of another breed of the same age which later brought 50¼ cents a lb. They were exhibited by the Winkler Sisters, Castle Rock, Colo., and sold to Albert and Ed Fritzler, Sterling, Colo.

All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

Any claim for adjustment because an animal is a non-breeder must be made within 90 days of the date of the sale.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

**PEDIGREE CERTIFICATES** — A certificate of registry and a transfer will be furnished for each lot sold, and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

**The Pilot** has been a very promising herd sire ever since birth. He is absolutely smooth from end to end and has a beautiful rich roan color. His line of ancestors leaves little doubt of his prepotency. His dam is by old Fascinator, and is really an outstanding cow. His sire, Imp. Bapton Major, is one of the thickest bulls ever to set foot in the United States. If this young bull, now very masculine with a lot of quality, continues as he has for us, he surely will not disappoint the man who buys him.

**Supreme Command** is one of the better bulls we have produced. He has a good head, short legs, deep, compact body with a rich red color, and is from a very prolific family — sired by one of the breed's best bulls, Divide Gold Cadet, which sired both the reserve champion bull and female at the 1945 Iowa State Sale. We think Supreme Command is just as good or better than our reserve champion of last year. A heifer of this same family stood second at the 1945 Congress in Chicago.
